Shark Leaves

By Cisco

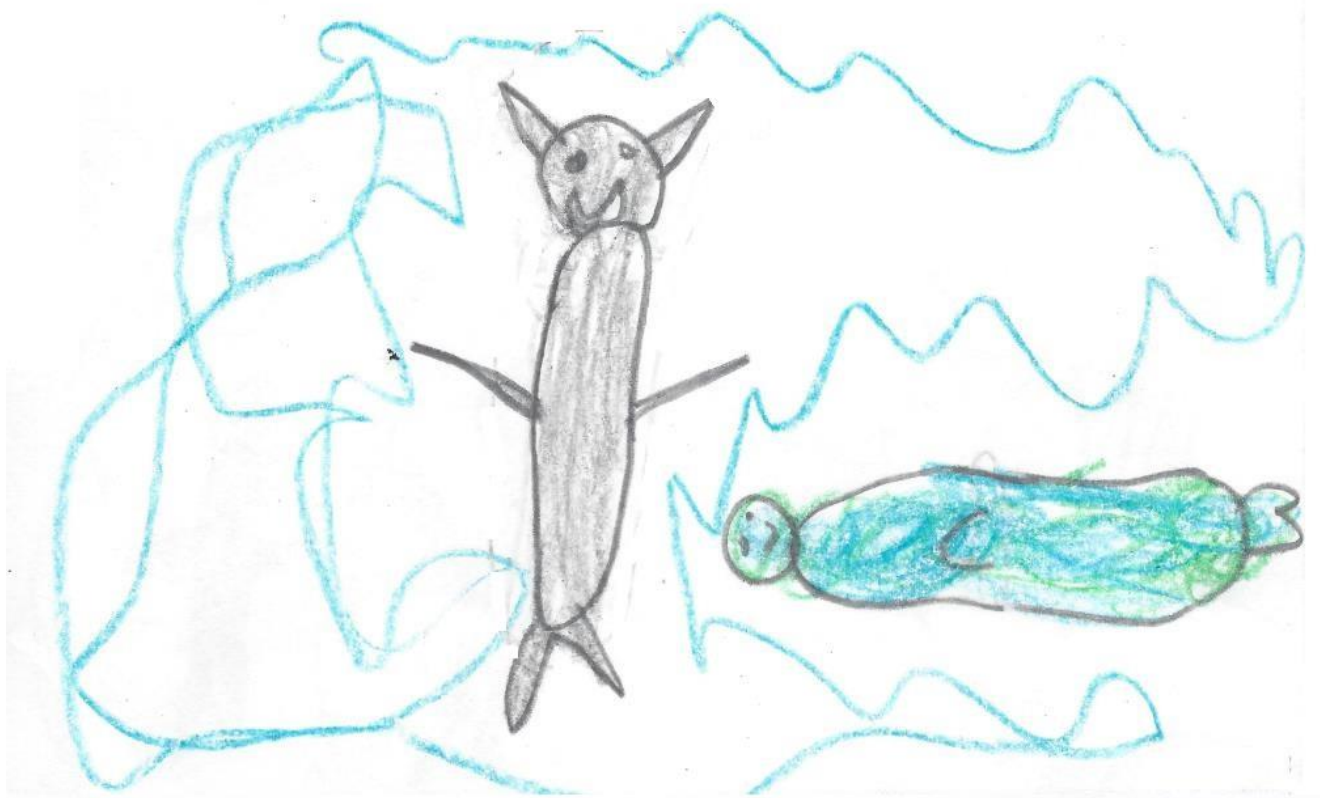

Shark went to a different part of the ocean because he wondered how it was.

He wants his mom to visit him and see his new friend named turtle. Then shark figured out that turtle didn't have his favorite food.

Then he wanted to go home. But then he met a new friend. His friend's name was fish.

He wasn't sad anymore. When he went to his friend's house, he knew he had his favorite food.

After that he and his friend went to visit shark's mom. They felt happy.
