

# The Bullies

by Haylee

- Once upon a time, there was a kitten who had problems with the bullies. The bullies were dogs. She thought she'd never have a single little problem with dogs because she had a friend that was a dog.

The kitten was going to play with her dog friend. But the bully dogs went to play where they were playing and they said, "MOVE! WE WANT TO PLAY THERE!"

- The kitten wanted to eat her lunch in peace and quiet to concentrate on her eating. But the bullies were bugging her and bugging her. She had to eat somewhere else.

- She wanted to jump rope and do it for a long time to beat her record. But the bullies were putting their paw out and stopping her. However, she didn't like what they were doing, so she asked them to stop. She had never told them to stop before.

- They were all best Friends. The cat got other cats to play with them, so she wouldn't be the only cat.
