By

Once upon a time there were Jennie and Mark. Mark had lots of problems. Jennie did not have problems like Mark. He always tried to get Jennie to do bad stuff. He didn't want to do the bad stuff because he would get in trouble.

Mark asked Jennie to sneak some money from their mom. But, Jennie said no because she didn't have problems like Mark.

Then Mark asked Jennie if she wanted to sneak some candy from the pantry. But, Jennie said no again.

Next Mark asked her if she wanted to sneak some money again. However, she said no again.
