It was February 24<sup>th</sup> at the launch pad.

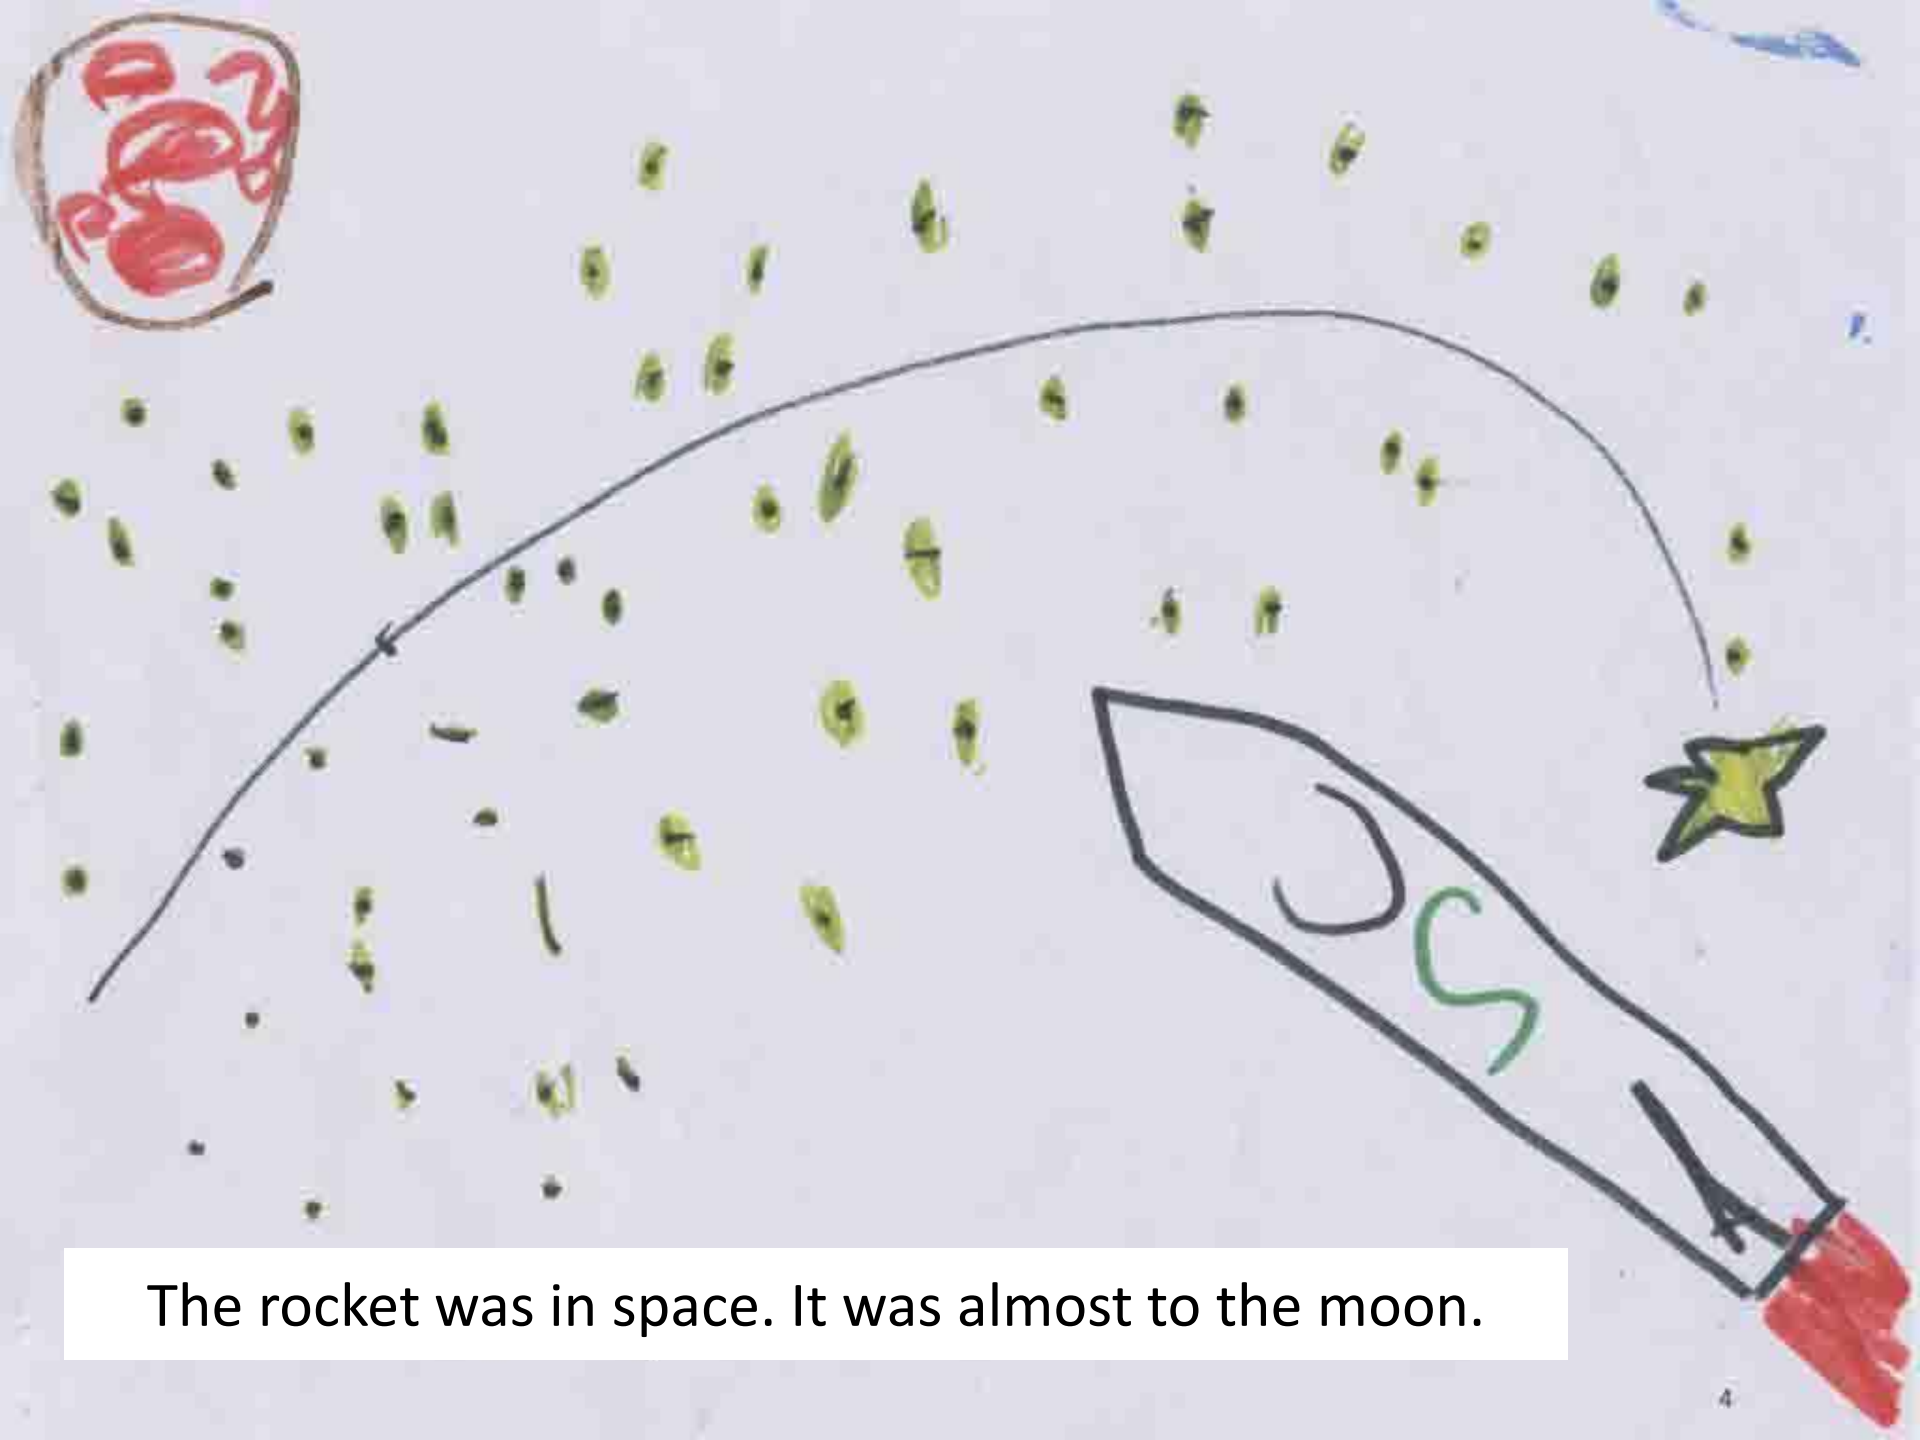

The rocket was ready to blast off.

/ 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, Blast off. The rocket blasts off.

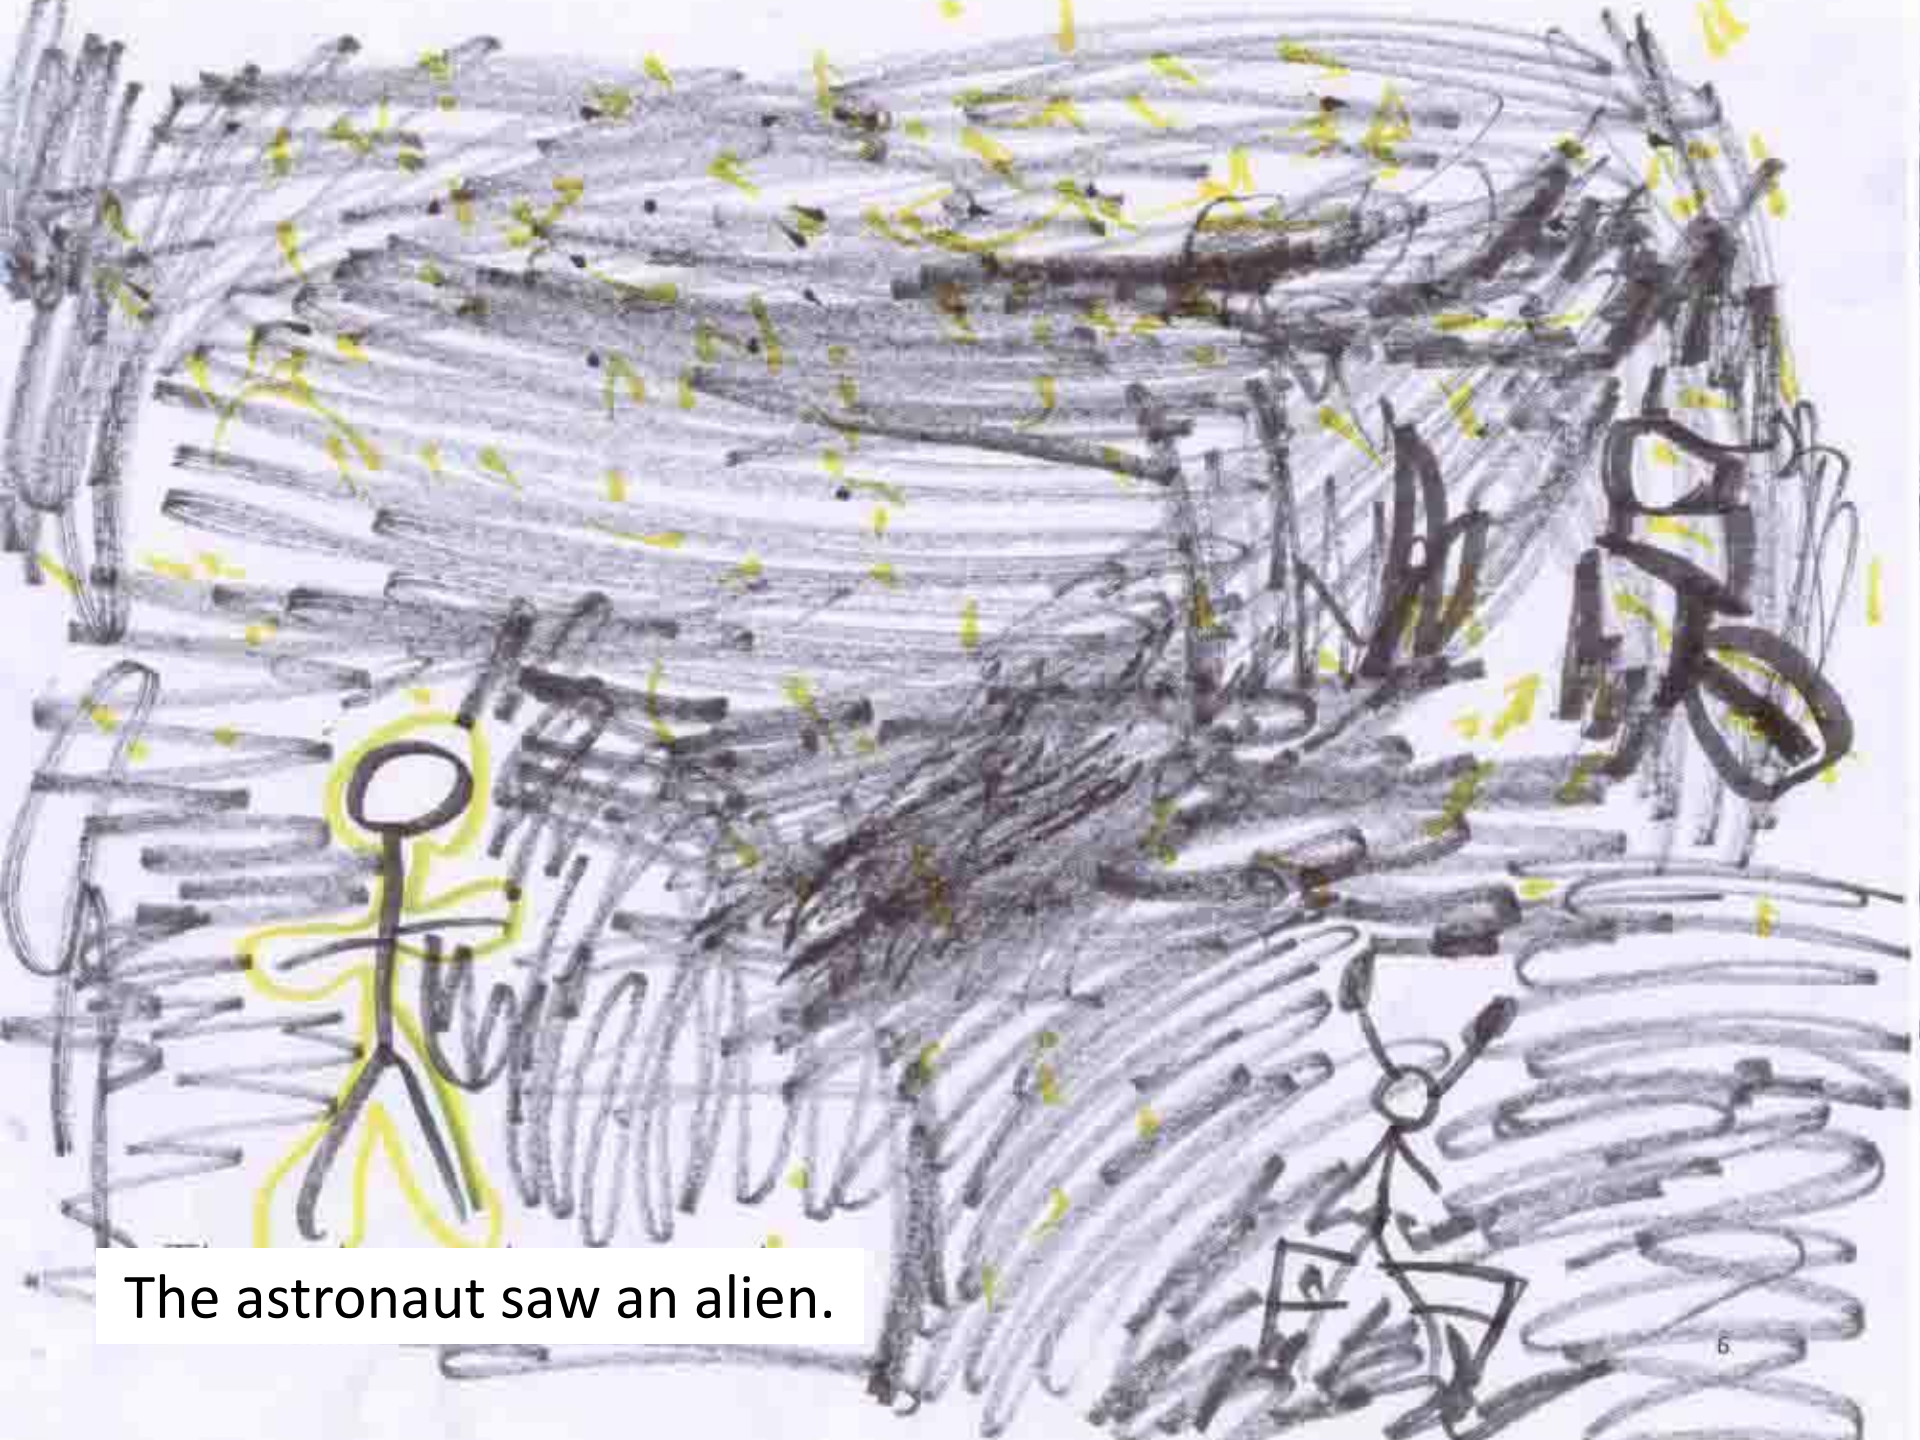

The rocket was in space. It was almost to the moon.

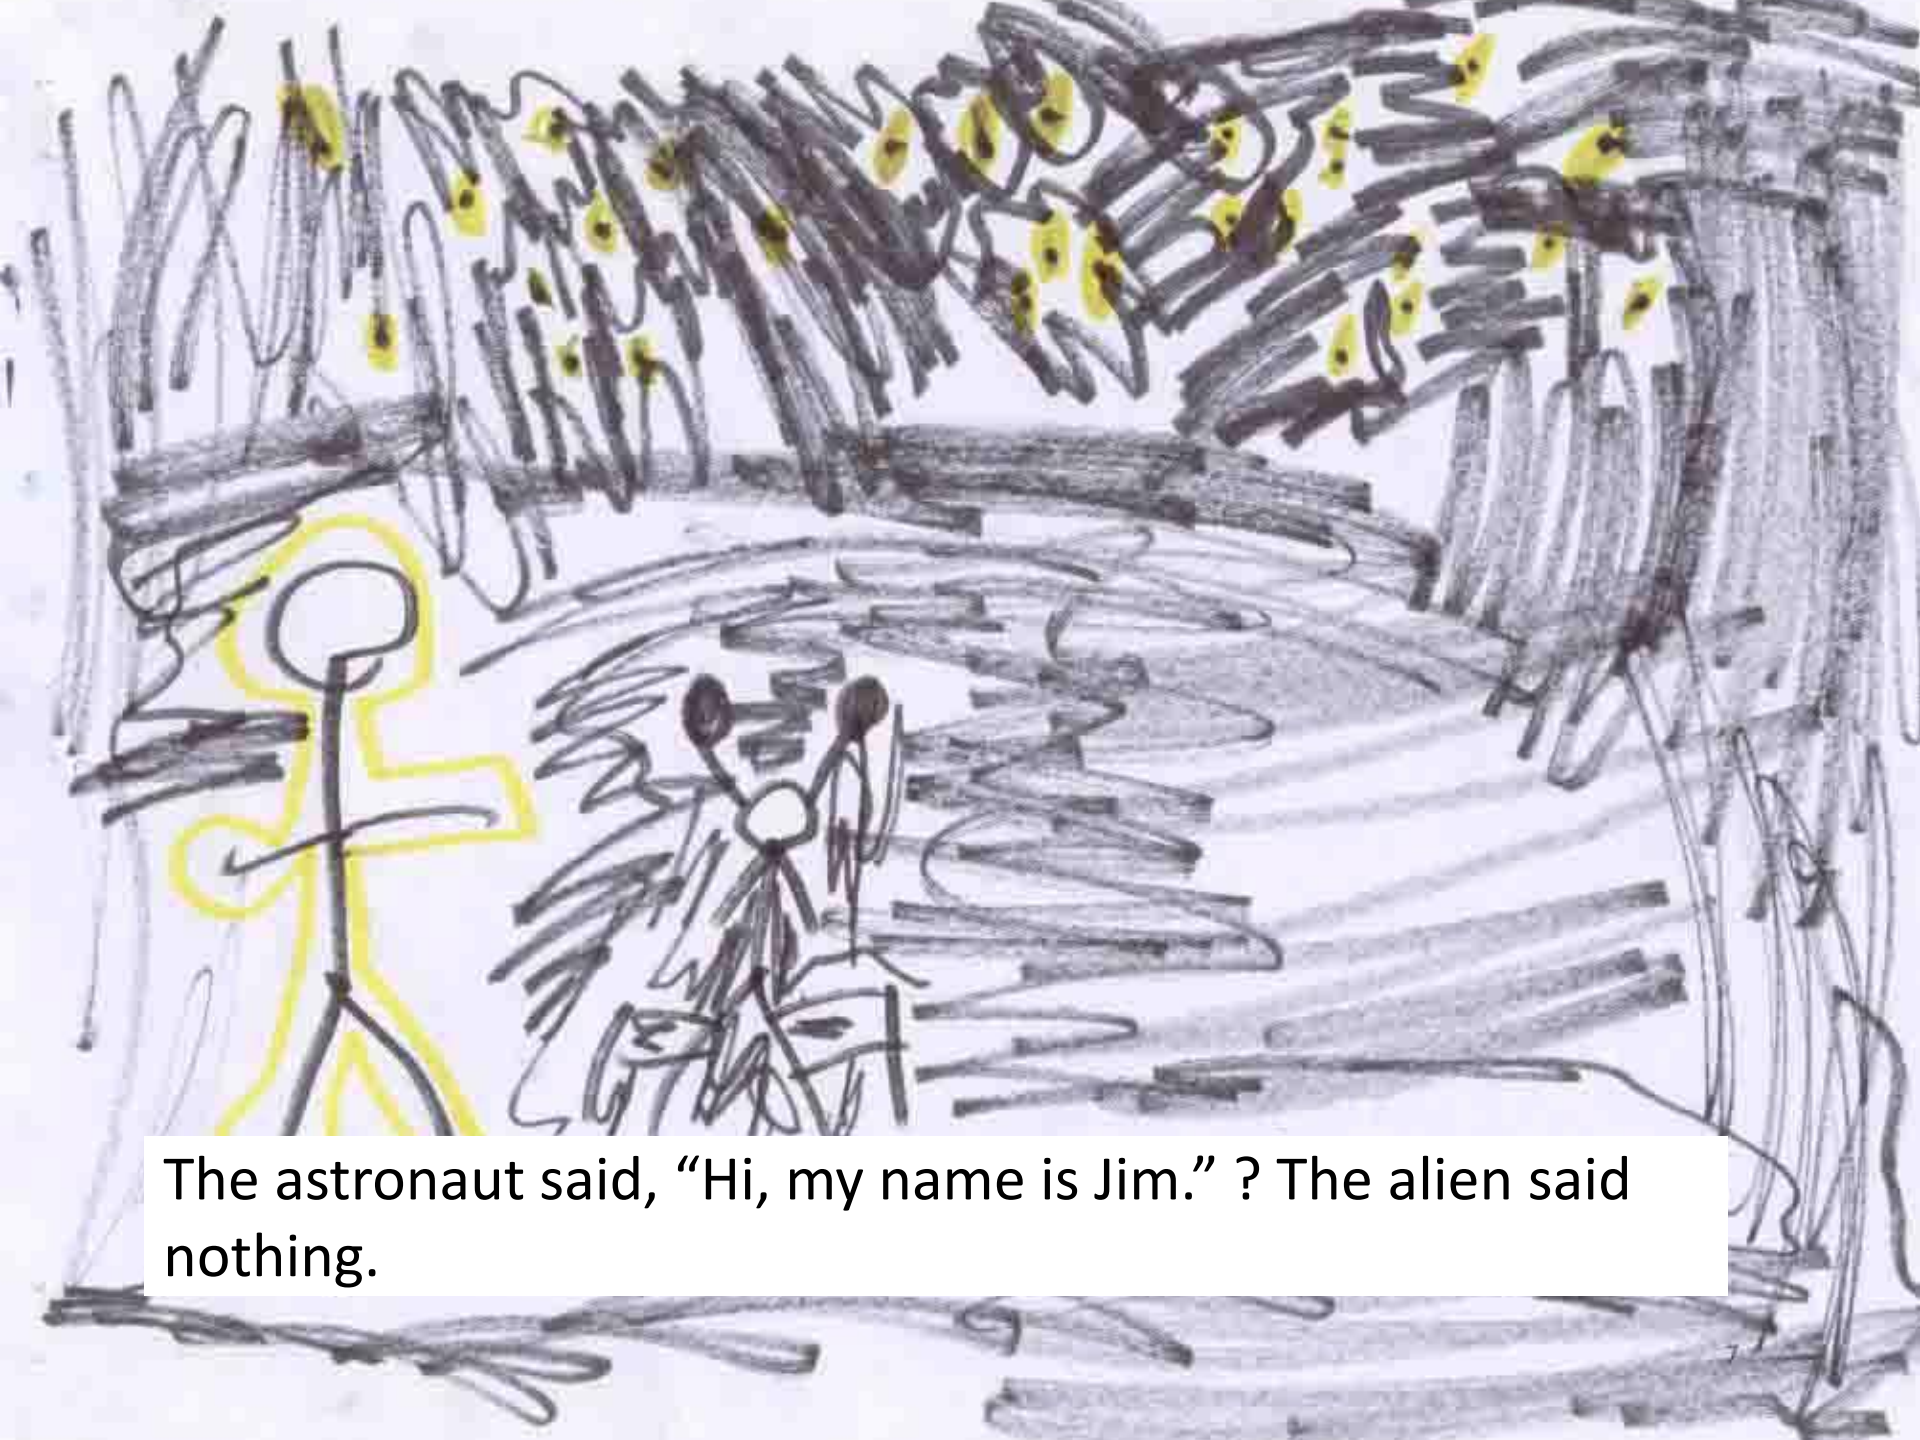

The rocket landed on the moon. They opened the stairs.

The astronaut saw an alien.

The astronaut said, "Hi, my name is Jim." ? The alien said nothing.

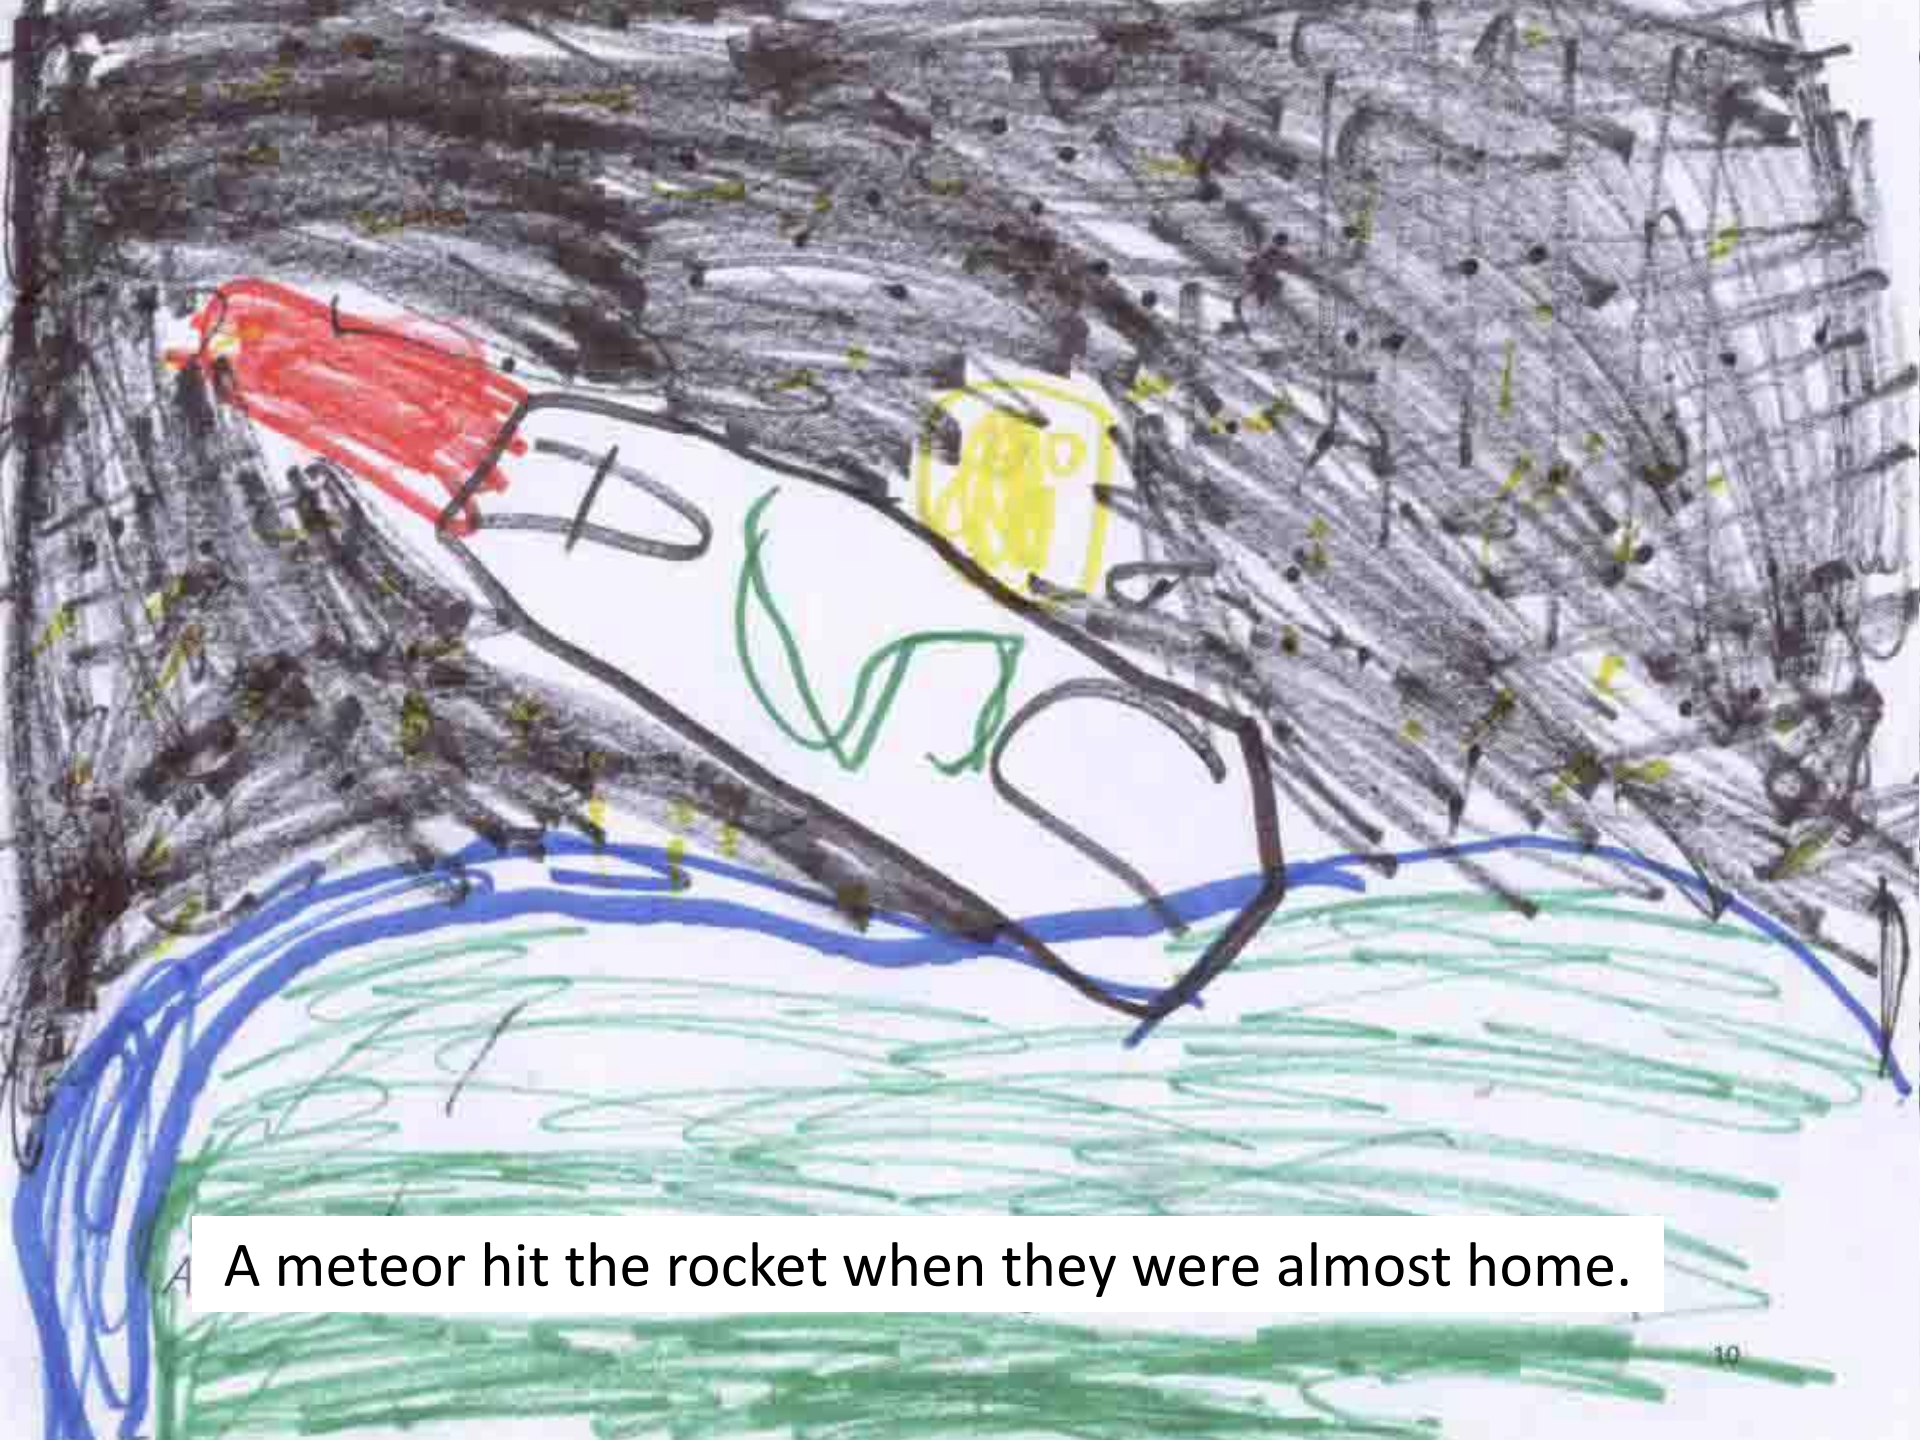

The astronaut took the alien home with him.

They were almost on Earth when...

A A meteor hit the rocket when they were almost home.

The rocket shook.

They were home.
