

Agent T:

an adventure

By Maria

One day when Rosa was gone she didn't know that her teddy bear turned into a secret agent. She thought it was a plain stuffed animal. She was on a trip to the museum.

His name was Agent T. Agent T stands for Agent Teddy. Agent T is on a mission to make sure his master is safe. Rosa is his master.

Her cousin dropped her off at the museum. When she went inside, she saw a T-Rex. She pressed the button by it and it roared. She got scared and ran away.

A stranger followed her and asked her if she needed a ride. Rosa said no. But, the stranger took her hand and started to run out of the museum to his car.

Agent T growled at the stranger and scratched him across the face. The stranger got scared and ran away to his car. Agent T grabbed Rosa's hand and ran home.

When Rosa came back she was surprised! Her mom said she got spring vacation! Rosa wanted to go to the ocean. But her mom had to work and her dad had to work. She was so lucky because her cousin could drive Rosa there.

In the car Rosa got sick. But she got over that from eating vegetables.

Now they jump in the ocean.
