

THE ADVENTURERS OF

A special
thanks to Michael
for helping
me with Captain
Duckman's suit.
Without him
Captain Duckman
would be black &
white.

CAPTAIN DUCKMAN!

By: Ethan

It all began when I was walking to school. Some bullies found me, and you guessed it... I'm a nerd. Oh by the way my name is Paul. The bullies Ed, Steve, and Frank always picked on me.

Today, they shoved me into a swamp. In that swamp all the sewage lets out. Brown ooze coated me. Yuck! I climbed out and trudged to school.

When I tried to open the door it was locked. I tugged at the door and BAM! The door came off. The doorknob was crushed too.

I hid the door, went inside, and had my first class. I had English next. We had a pop quiz. I got an A+. Then, science came. We made marshmallow fireworks. When lunch came, nothing unusual happened. Ed, Frank, and Steve took my dessert, of course.

Then came gym. We played dodge ball. Everyone attacked me and somehow I didn't get hit once. I even beat our teacher Mr. Frownyface. I won!

When school was over I ran home. I felt great. Just then, I realized everything was a blur. SMACK! I ran into a pole. The whole pole was now out of shape. I got up and continued home. Everyone stared in awe.

When I got home I felt dizzy. I dropped into my bed and fell asleep. I woke up the next day, put on my glasses, and started walking to school. A couple of steps out of my house, I walked into a pole.

I lost my glasses! I just started searching for them when I realized I could see well without them. It was a miracle! I ran to school without running into any poles or bullies.

I walked through the doorway and had the basic routine. Except for no one picked on me. When I got home I looked in the mirror. I looked...stronger.

As I stared at my new muscles, a laser shot out of my eyes. I burned a hole in a 3 foot wall! No more staring contests for me.

I ran to the swamp grabbed a sample of the brown ooze. I studied the ooze. It had toxic chemicals in it that focus your biomass to create expanding muscles, increasing agility, and the ability to fly. "Amazing," I said aloud. I had become a super hero, Captain Duckman.

“I wonder how he got so fast?” said Frank. “I wonder how he got so strong?” said Steve. “I say we break into his house and steal whatever is giving him these abilities,” said Ed. So that’s what they did. They broke into my house and stole the brown ooze.

I went to school the next day and ran into Ed, Frank, and Steve. Frank launched a fireball. Steve teleported and threw a punch in my back. Ed tried to shoot lightning at me. They got enough ooze to give each of them one power.

I changed into my suit. I fought back hard. I flew up and dove down to hit Ed with a punch. A fireball hit me out of the air. I got up to shoot a laser at Frank. He dodged it and I was hit in the back by Steve. I fell to the ground. It was hopeless. There were too many of them and I wasn’t fast enough.

Fast enough, that's it! I jumped up, ran in circle, and made a small tornado.

First I struck Steve. One down, two to go. Frank tried to shoot a fire ball at me. It was soon put out by the wind. I took out Ed next. When they were all down I walked away like nothing happened. No one was going to bully me again!
