Long long long long ago, there used to live a mighty mouse who was an Indian. He had tiny ears and a tiny body. But, he was very brave. He wished he could find a nice pretty female mouse.

The one thing he couldn't stand was Spider. He was the ugliest, smelliest, big nosed spider that Mouse had ever seen.

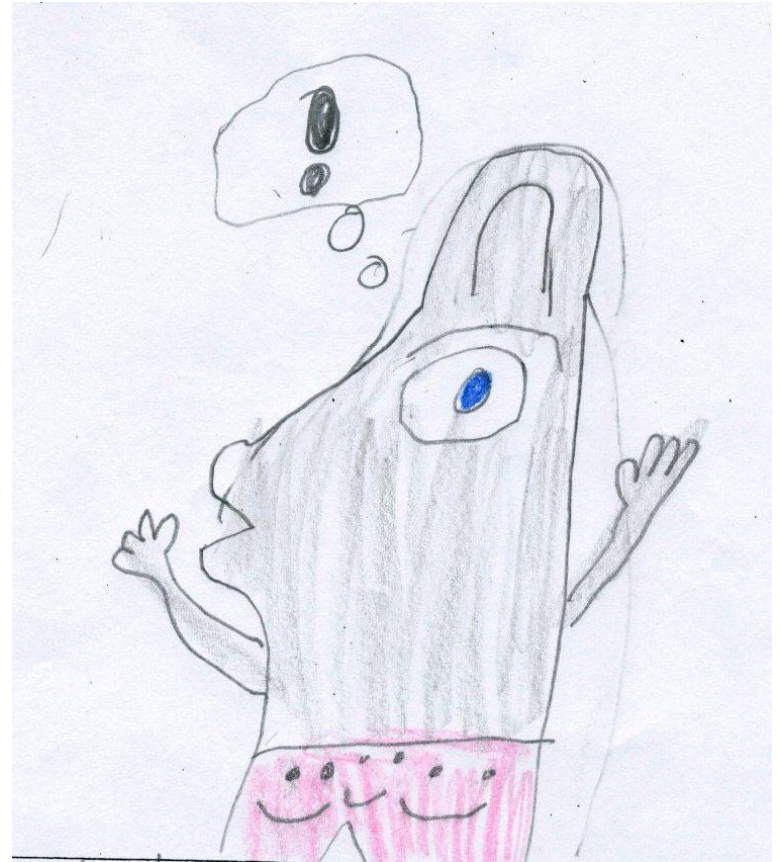

One day, he saw a very pretty female mouse walk by his mouse hole in Bill's house. Bill is the owner. She wore a skirt that had his favorite animal, dinosaurs. He didn't know what to say. He tried to talk to her, but he wasn't man enough. So he didn't know what to do for the day. So he went to bed.

The next day, he woke up, put on a shirt, put on his underwear, but forgot pants. He got a cup of cheeserie coffee. He went to stand in the cool air.

He took a sip of his coffee, then saw the girl. When she noticed that he didn't have any pants, she screamed and ran away. He felt embarrassed.

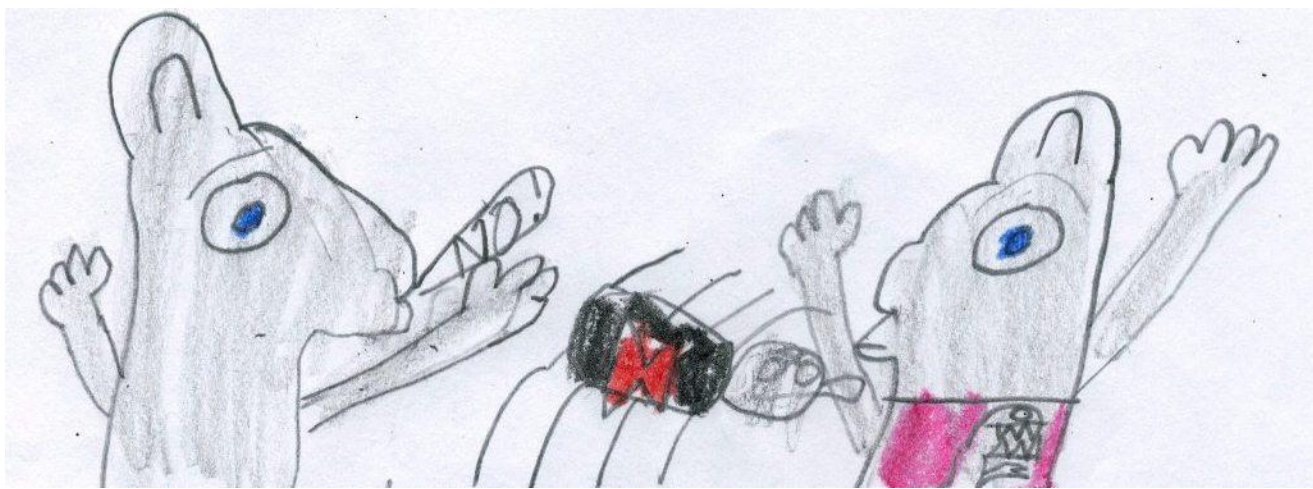

He ran in his mouse hole and got fully dressed. When he was done, he hopped in his tiny little car that Bill's son used to play with.

How he made it was simple. He just put the wheel from the controller into the car where the steering wheel should be. So he went to the dining table. When he was half way there, the car stopped. Mouse turned around and saw Spider!

Oh, his big nose stretched an inch! "You!!" Mouse said. "You!" Spider said. Mouse quickly grabbed his tiny spoon that was in his car. "This causes War!" mouse screamed.

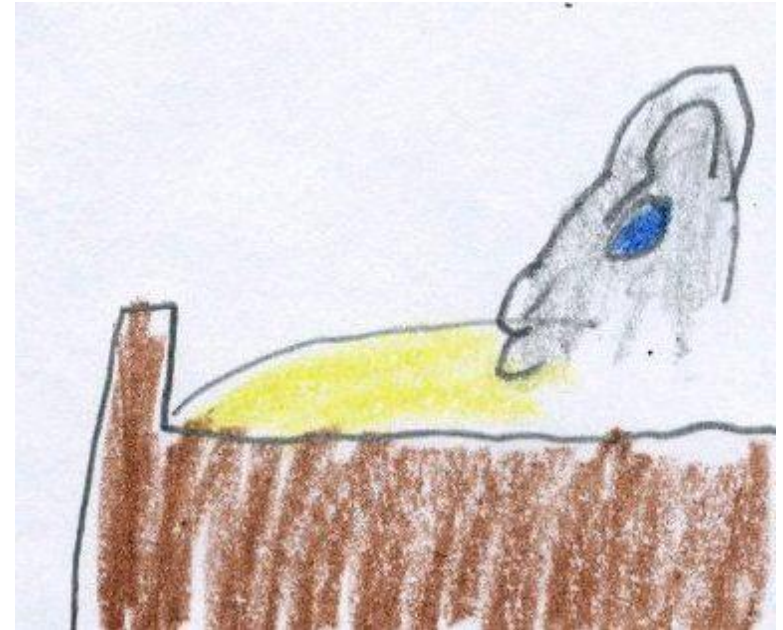

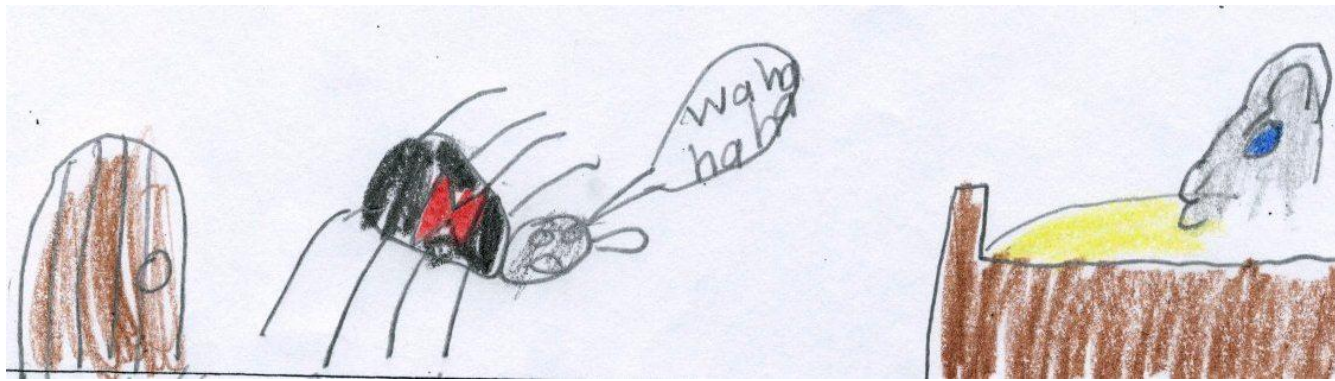

“Why don’t you have a weapon?” Mouse asked. “I don’t, I have magic!” Spider yelled. All of sudden, Spider blasted wind at mouse! “Ow, eee, ooch, yow!” Mouse cried. Then Mouse saw the female mouse that he saw two days ago.

Spider said, “What are you staring at?” Spider turned around and saw the girl. He quickly flew over there and captured her, then disappeared.

“Noooooooooooo!!” Mouse yelled. Mouse got up and jogged over there, but couldn’t find her.

So he went to his house and went to bed. He stuck his head first into his pillow. He had a lot of nightmares that night. At three o'clock in the morning, Mouse's door opened. Mouse opened his eye a little and saw....

“Spider! You should really knock before entering!” Mouse yelled. “Sorry,” Spider apologized. “It’s Ok,” Mouse said.

“Without any further ado, Wha ha ha ha!” Spider laughed his ugliest laugh ever. Spider was teasing Mouse and asked, “Do you know where the female is hmmm?” “No where is she?” Mouse wondered.

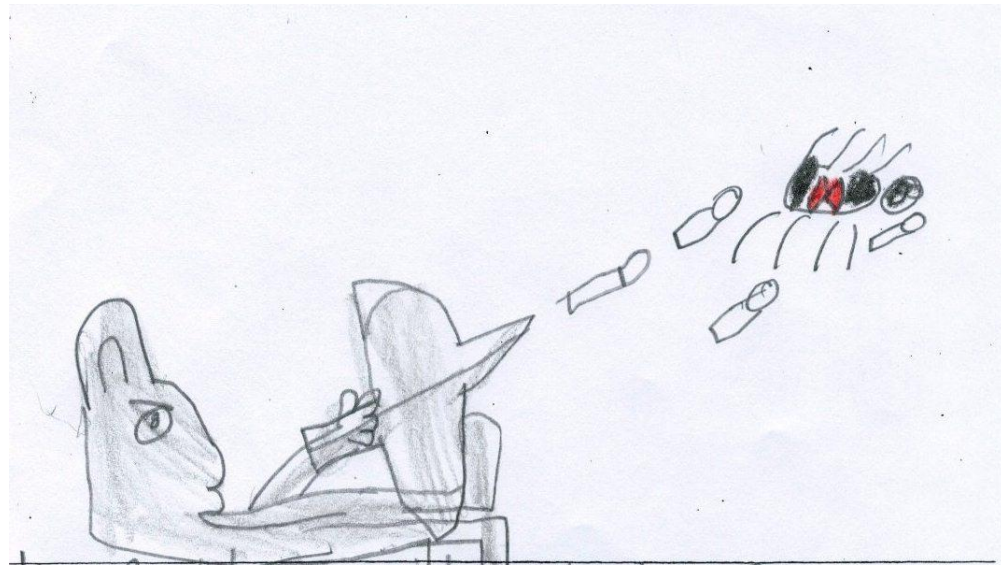

“She is in the cupboard right where the Cheetos are!” Spider said, “That was dumb of me.” “Yes it was,” Mouse said happily.

“If you come there, I’ll be waiting,” Spider said weirdly. Then Spider crept out of the door.

The next morning, Mouse got up, put a bandana on his head, put paint on his cheeks, and got dressed like an Indian. He got his tiny crossbow and spoons. He was ready to roll. He went to the cupboard, opened it, and saw the girl was tied to a chair. He quickly tried to untie her. The girl said, "Who are you?"

"I'm the, I'm the, I'm the hhuuu. I'm the guy who didn't have any pants on that day," Mouse said. "Oh my gosh!" the girl screamed. Mouse said, "Keep it down, Spider mi-" Wack!

“Might here you? Yes I did”, Spider said.
“Yikes!” the girl yelped. Mouse said, “You stay here. I me-” Swoosh! Suddenly Mouse was shooting spoons at Spider, but missed! Then Spider flew out of the cupboard. Mouse put a spoon in his crossbow and Swoosh! Suddenly, Bill’s cat Buster came and meowed. Wack! Spider got hit and fell right into Buster’s mouth. Buster swallowed him whole.

“Yes!” said Mouse. “You saved me! Can you come and untie me?” The girl said. Mouse coughed and said, “Sure”.

“Can I ask what your name is?” said the girl. “Merlin”, said Mouse. “Good name,” the girl said. “What’s yours?” asked Mouse. “Arlean,” she said. “Cool,” Mouse said. “Why thank you”, she said.

Soon they were married, had six kids, and they lived happily ever after. Let’s hope Buster doesn’t ever hack a hair ball!!
