Scary Valentine's Day

by: Emily

One day at some sort of school, Jimmy was passing out valentines that said, "Happy V-day!" but then he saw Brianna's and he wrote this:

He put it on her desk and continue passing out valentines. When he was done, he sat down at his desk. Soon Brianna came and handed him her valentine. Jimmy read the card and it said this:

Jimmy was disappointed. After school, Jimmy ran home and looked at his valentines. He saw Brianna's and threw it away: He ran outside and went to a cave. He sat there so sad. All of a sudden, he had a feeling he was being watched. A chill ran down his back.

The next thing he knew he was face to face with a vampire. “Hello! I am the love vampire. Do you have any problems in love?” the vampire said smoothly. Jimmy slowly nodded.

“GOOD!” the vampire yelled.

“Young boy, get me a picture of the loved one,” he said. Jimmy thought about doing what the vampire said.

“I don’t know what to do,” he thought. He decided to do it. The next day at school, Brianna was passing out signed autographs of herself. When school was over, Jimmy ran to the vampire.

“Good. Now I can track her down and give her the bite,” the vampire said.

“Bite?” Jimmy asked.

“Love bite,” He answered.

“Oh,” said Jimmy walking out of the cave.

The next day, Brianna came up to Jimmy and asked, "So I didn't get a valentine from you. Can I have one?"

Jimmy nodded and quickly made a repeat of what he gave her before. Brianna marked yes and gave it back to him. As she walked away Jimmy noticed 2 holes in her neck, but he didn't care.

After school Jimmy ran to the vampire and thanked him. Then he and Brianna could live happily ever after, or so he thought.

The End!
