

The Thanksgiving

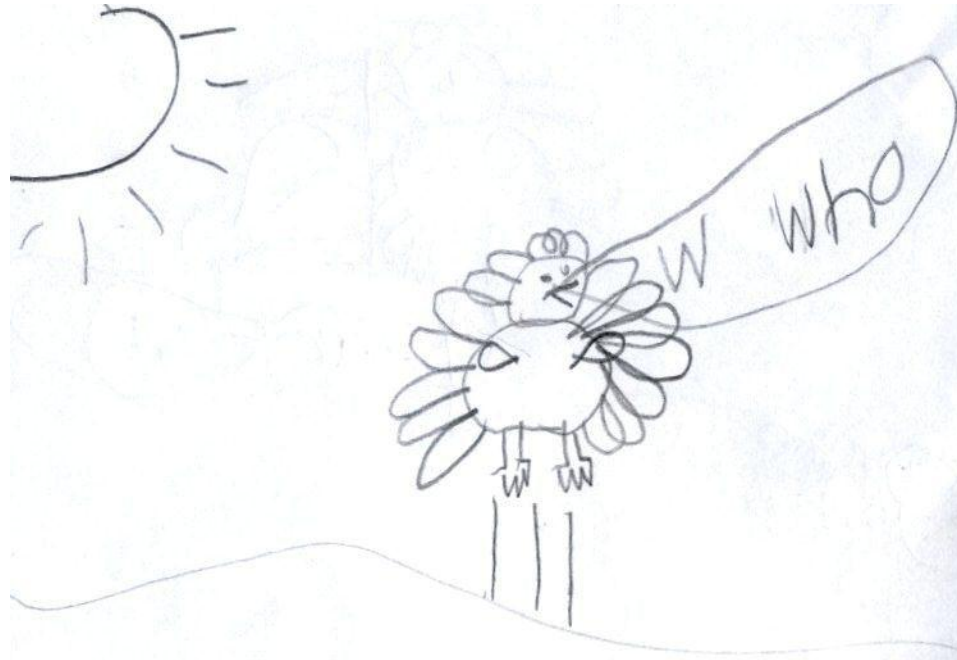

Turkey

By Nisrah

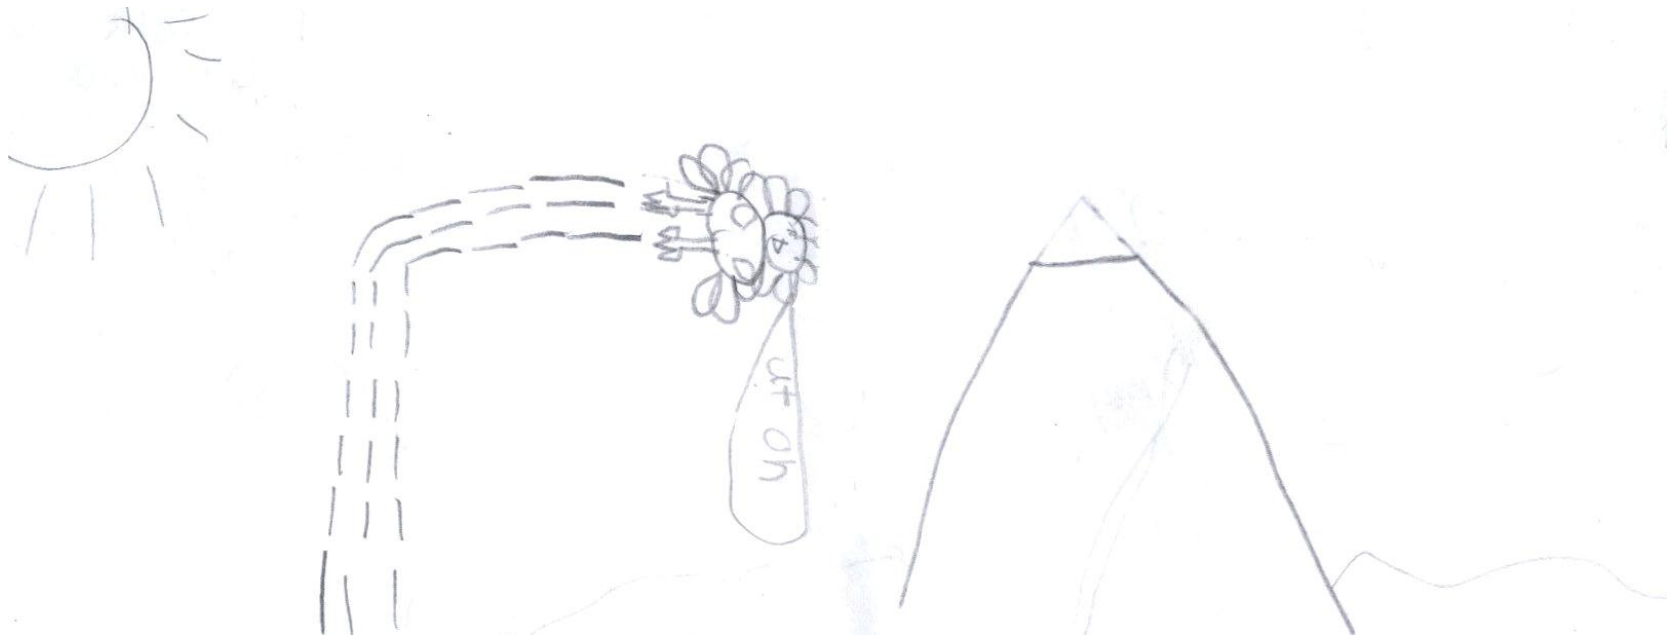

Once upon a time there was a turkey at sea.

One day the turkey jumped so high, it flew in the sky from the boat.

A volcano got louder and the turkey flew higher.

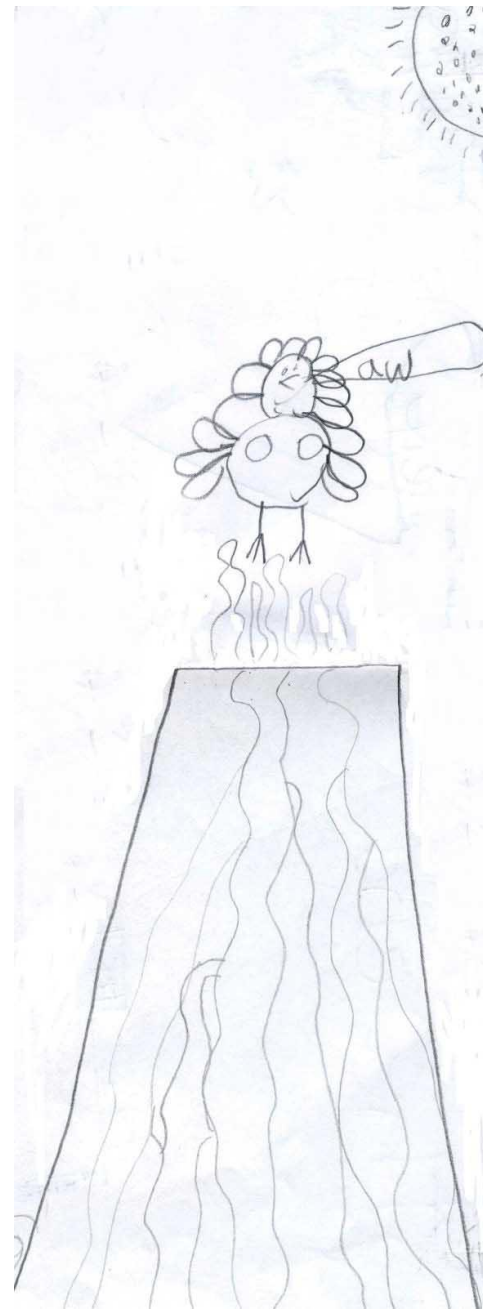

The turkey did not notice it was heading towards the volcano!

The turkey needs help. He is going to fall in the volcano.

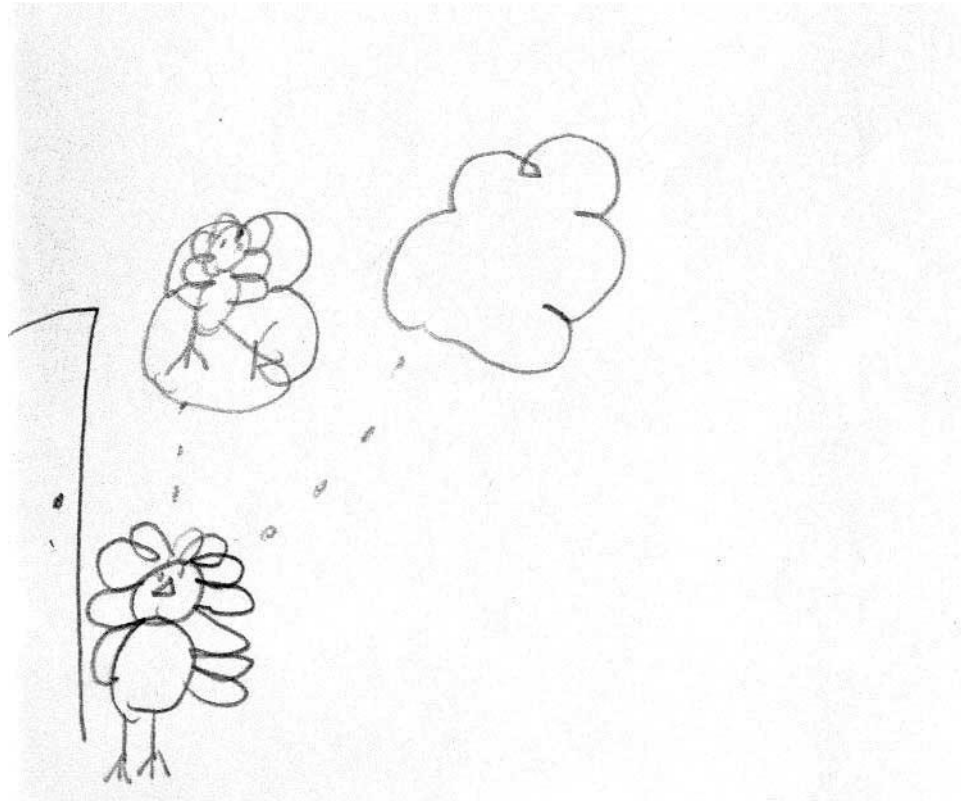

The turkey fell in the volcano. The volcano exploded and he went up in the air.

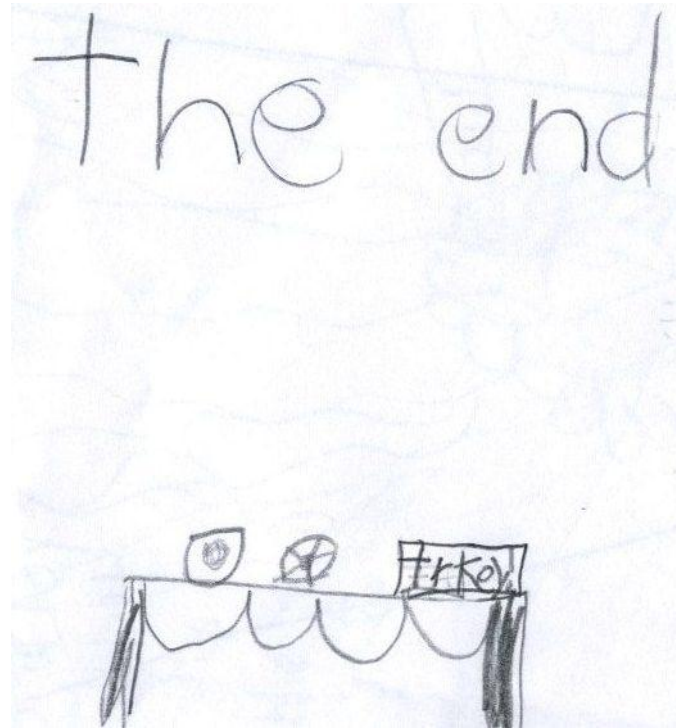

He landed on the boat. The boat went to shore.

He was invited to a party. But he didn't know it was a Thanksgiving party.

Now he was dinner.
