The Dinosaur Adventure

By Searra and Carlee

Hi, I'm Sally and you're about to hear a BIG and CRAZY adventure!

It all started when my little brother Dylan, my little sister Madison, and I went to the store.

I picked licorice, Madison picked a rubber ducky, and Dylan picked a growing dinosaur.

Right when we got home we put the growing dinosaur in the tub. Then we left it overnight.

The next morning: THUMP! THUMP! THUMP!

"Dylan, Dylan wake up!" I said.

"What?" said Dylan in a groggy voice.

"What's that noise?" I said

"I don't know, I just woke up!" he groaned.

Then, Madison came barging in the room.

"Dino in the tub tub," Madison said.

"Here," I said to Madison "Dylan and I will play tea party with you and your stuffed animal dinosaur."

"Wait we will?" asked Dylan.

“Yes! We will,” I told Dylan.

“Oh, oh,oh, yeah, yeah, we will, we will,” said Dylan in a pretend scared voice.

“OK” Madison take us to your dino.

So Madison took them to the bathroom.

“See look. Dino in the tub tub!” exclaimed Madison.

A strange voice yelled from inside the bathroom, “Tiny,Smarty, Ding Dong, where are you? I’m stuck, I’m stuck!”

There stood an 8 foot Brachiosaurus in the tub tub with his head stuck in the ceiling.

All of the children were staring at the dino.

“I’m Oscar” said the dinosaur in an echoing voice “Get me out of here..... don’t just stand there. Help ME!”

Oh, OK!!” all of the kids pulled his head out of the ceiling.

“Hey you guys want to be friends?” Oscar asked.

“Suuurree?” they all muttered.

“Then let’s go into my time machine,” said Oscar.

“Awesome!” they all said at once.

So they all went in the time machine in the yard.

All of a sudden the machine started vibrating, ZZZZZZZ!

Then it blasted off into dinosaur time. They got out of the time machine. Right after they got out, the time machine exploded!

There were mountains and an ocean surrounding us and the beach was very dry. There stood 3 other brachiosaurs. Oscar introduced the kids to his crew, "Kids this is Tiny, Smarty, and last but not least Ding Dong."

"How are we going to get back home?" asked Dylan.

"So you know about the sea, we need to build a boat so we can get these kids back to their beach house as fast as we can," Oscar ordered.

They headed into the forest to find wood for the boat. All of a sudden they felt the ground rumble and the leaves on the trees started to shake. In the distance a lot of lava went shooting into the sky.

"Oh no, what are we going to do now?" shouted the kids.

Oscar ordered the other dinosaurs, "Take the kids to our secret and safe hideout."
