## The Picture

By Michala

This morning when Kimberlee woke up it all started. Kimberlee's brother and sister got in a fight over syrup and elbowed Kimberlee in the not so funny bone. Kimberlee's dress got stuck in the door, RIP!! So Kimberlee went upstairs to change. Kimberlee changed into her clown suit thinking it was funny clothes day. But what she didn't know was that it was actually picture day. Later Kimberlee wished she could stretch to Oklahoma!

During school, Kimberlee got her finger stuck in her locker. OUCH!! When she stepped into the room and turned on the light, it shocked her finger, ZZZZZ! During class the teacher slipped outside and the class went crazy!! A kid named Bobby flicked a pencil and it hit Kimberlee's eye. She wished she could go to Oklahoma!

Out at recess it started to rain (Oh Brother). After it rained, she slipped in a pile of mud. Finally during Kimberlee's picture she fell off the chair. (At least she was voted the funniest picture in the year book.)

All of a sudden Kimberlee heard her mom call her name. She was still in her bed in her pajamas at home. Oh good it was just a nightmare, at least that time...
