Bob the Squid

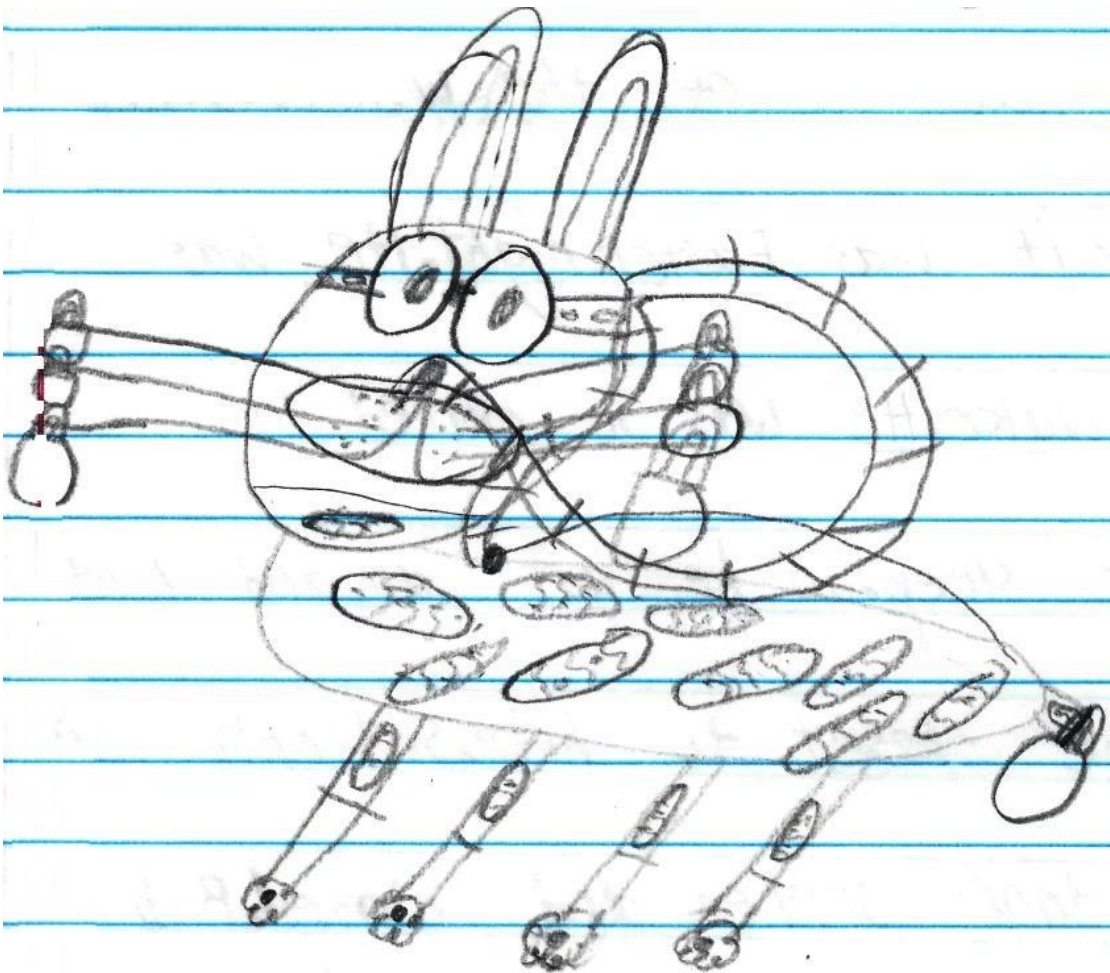

By Lillian

Bob the squid lives in the coral reef. He likes playing hide and seek with his friends. He likes hiding in the coral and poking his head out of the water. Until one day it was Easter night. He was wide awake! He was so excited that he couldn't sleep. SO he got up and went into the closet to hide.

Suddenly the front door opened and closed. Bob saw a bunny carrying baskets full of candy and toys. Soon Bob the squid couldn't see the bunny anymore. So he got out of the closet.

Now he saw the bunny and to his surprise the bunny was in a swimsuit with an air tank and goggles.

The bunny put down the baskets. Then he jumped out of the house. Bob followed him, but it was too late.

He became sad. He cried and cried. So next year he will follow the Easter bunny to the Easter land.
