# Ode to Bacon!!!

By Peter G

I was watching TV. My mom called me into the kitchen. She was making a sandwich, eggs, and bacon. I ate bacon and it was crisp and so good. It was the first time I tried bacon. I will always eat it. If you have never tried bacon, I will find you and make you try some. Since then I love bacon.

When I went to Lake Powell I ate bacon. In the morning when we left I ate a bacon burger. It was so delicious. When I got home the next morning, I ate bacon. Yum! Then I watched TV. The next day we went to IHOP. I got pancakes and bacon.

I told my mom to make bacon again. I heard bacon sizzle in the pan. I touched its crispy edges. I smelled bacon on my fingers after I ate it. I love bacon!

Bacon Bacon Ya!
